TEACH COMMON CORE VIA GARDENING!

The Youth Farm is a 1-acre educational farm located at Wingate Campus. We are an independent organization run by experienced farmers and food systems educators who have over 20 years’ combined experience teaching sustainable agriculture and farming to all ages, from early childhood to adults!

All 3 workshops tailored to your grade level. Every teacher will leave with an indoor seed starting kit, worm bin kit, and tools and resources to start a garden project at their school!

SIGN UP BY 5/1: $100
SIGN UP BY 5/15: $125
